MY AFFIRMATION

I believe people are capable of incredible things...if they have the support they need. I am at my best when I get to provide support, build the structure, and advocate for others to achieve their goals. I strongly believe without our people we could not achieve our goals; that is why I prefer it.

ACHIEVEMENTS AND CERTIFICATES

- Successfully reduced procurement lead time by coordinating with multiple suppliers and optimizing sourcing strategy.
- Implemented Just-in-Time (JIT) material planning, reducing excess inventory by **50%**.
- Developed alternate vendor sources, reducing material cost by **10%** and ensuring uninterrupted production.
- handled new product development procurement activities and ensured timely availability of prototype parts.
- Ensured 100% on-time delivery to production line, minimizing line stoppages.
